# Meet The Baker!

Diane, nicknamed Di, is the baker for To "Di" For Baked Goods. She started baking as a very young girl with her mom. Some of her mom's recipes are currently used for the bakery. More than baking for herself, she has always loved to bake for others. There's nothing like something sweet to make people happy. In 2022 she decided to do what she loves as her career and spread the sweetness to all. Every item we sell is baked in small batches by Di. We pride ourselves on the taste of our products. Each piece may look a little different but they are all delicious.
